

The Commission for Physical Properties

The Commission for Physical Properties shall be responsible to the Ministry Council for policy development and for the establishment of goals/outcomes for issues related to:

Building and Grounds

St. Lorenz will:

- Provide functional, safe, accessible and enjoyable physical properties.
- Utilize all properties for their best use.
- Develop a master plan that looks for future growth opportunities.
- Utilize our properties to preserve our heritage and history, while, at the same time striving to use properties for local and global outreach and ministry.

Fiscal management

St. Lorenz will:

- Ensure that appropriate fiscal policies are in place and followed.
- Establish and maintain appropriate fee structures for rentals and use of church properties.
- Manage funds to encourage and equip our membership to use our properties for ministry growth.

Insurance

St. Lorenz will:

- Protect its properties through adequate insurance coverage.

Cemetery

St. Lorenz will:

- Provide a final resting place for loved ones.
- Develop long-term planning solutions, expansion and expense structures for the ongoing management of our cemetery.

Real estate fund

- Provide financial resources to assist our workers in obtaining a home in our community.
