

The Commission for Spiritual Life and Worship

The Commission on Spiritual Life and Worship shall be responsible to the Ministry Council for policy development and for the establishment of goals/outcomes for issues related to:

Membership

St. Lorenz will:

- Grow our membership in duty, discipline and Stewardship.
- give each member an opportunity to serve with gratitude and enthusiasm.
- help each member understand the joy of giving in response to God's gift of Salvation and His daily blessings.
- encourage members to increase their financial support in proportion to the gifts received by God.
- Train, equip and motivate each member of the congregation to express their faith in group and individual session.
- maintain membership records to encourage participation in worship, attendance at Holy Communion and involvement in the work of the church.
- contact inactive members to identify spiritual needs and to challenge the wavering.
-

Worship

St. Lorenz will:

- Provide worship services which are true to Holy Scripture and in accord with the teachings of our church.
- Provide Christ centered preaching that applies the Word of God to daily life.
- Provide a variety of worship formats and settings.
- Encourage all members to worship on a regular basis.
- Provide quality music programs to support and enhance the worship experience.
- Provide the appropriate technology to allow those unable to physically attend a service to worship.

Missions

St. Lorenz will:

- Offer opportunities for all members to participate in missions at the local, state, national and international level.
- Provide resources and information to our members allowing them to understand the mission work of our church.
- Provide opportunities for our members to reach out to neighbors, friends, co-workers and others with the Good News of Salvation.
- Encourage support of missionaries at all levels and locations.

Caring ministries

St. Lorenz will:

- Provide programs of care and support for those that are less in need.
- Provide opportunities for our members to receive training to care for others
- Encourage our members to engage in care for neighbors and friends in need.
- Provide opportunities for senior citizens to gather, share and interact and their physical, social and spiritual needs are met.
